INFORMATION DISCLOSURE STATEMENT

The following information is submitted pursuant to 37 CFR § 1.97 et seq.

Applicant, through his attorney, submits form PTO/SB/08A, which is attached. The patents, publications or other information listed on form PTO/SB/08A are those of which he is aware, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 § C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.

This information is based upon information supplied by the inventor and information in the attorney's file.
